

Alliance for Pharmacy Compounding Nominee information

District II

1. Donald Cantalino, RPh, Precision Compounding Pharmacy/Vetmedics, South Setauket, NY

Nominee Statement:

2025 will be a challenging year for Compounding Pharmacy, and we require a board member who will stand firm no matter what. Don Cantalino is a natural-born leader with decades of experience in pharmacy advocacy. Donald has been tirelessly advocating for veterinary compounding and New York State pharmacy law for years. Let's support him in continuing his efforts in 2025.

Nominee Bio:

Donald J. Cantalino is a seasoned healthcare professional with over 40 years of experience in pharmacy services and regulatory affairs. A graduate of St. John's University, he is currently the Head of Regulatory Affairs at Precision Compounding Pharmacy, where he leads regulatory strategies, ensuring compliance with local, state, and federal regulations. His expertise is crucial in guiding product development, labeling, and interactions with regulatory agencies. In addition to his regulatory role, Mr. Cantalino is the President and Owner of VetMedics Compounding Pharmacy, which serves over 500 veterinary clinics and hospitals. His leadership has established VetMedics as a trusted provider of custom-compounded medications for various animal species.

Mr. Cantalino's entrepreneurial success is evident in his ownership and management of multiple pharmacies across New York. Notably, he achieved a 325% sales increase at Uniondale Chemists and successfully turned around Northport Pharmacy. His commitment to excellence extends to education, where he serves as an Adjunct Professor of Pharmacology at Touro College of Health Sciences.

Throughout his career, Mr. Cantalino has been recognized with numerous awards, including the Bowl of Hygeia Award and the NCPA Leadership Award. His contributions to pharmacy and regulatory affairs are marked by a passion for learning, exceptional leadership, and a dedication to patient care and compliance.

Alliance for Pharmacy Compounding Nominee information

2. Jack Korbutov, RPh, PharmD, The Art of Medicine, Philadelphia, PA

Nominee Statement:

We are in a world with fast-paced changes happening. From regulatory to technology, I believe in bringing a very holistic approach to advancing the profession of compounding. I love the world of business and approaching it from a unique view. I want to share what I've learned since I opened my pharmacy at 25 years old, 13 years ago. My passions outside of compounding itself are strategy, systems/efficiency, sharing of ideas, networking, etc. All of these are things that members of APC as a whole could benefit from.

Nominee Bio:

Born and raised in the Philadelphia area, I attended the Philadelphia College of Pharmacy and graduated with a PharmD in 2011. Taking direction from my immigrant father who has had entrepreneurial success, I opened The Art of Medicine Compounding Pharmacy just 1 year after graduating at the age of 25 years old. Since then, The Art of Medicine has expanded to a larger location to accommodate for USP 800, gained licensure in 21 states, and has received PCAB accreditation twice. I am currently a Fellow of the American College of Apothecaries and a Fellow of the American College of Veterinary Pharmacists. Other experiences include co-owning a gym from 2014-2017, acting as an adviser to a cannabis biotech company in the dermatology space, serving on the APC "Best Practices" committee, and serving as the only pharmacist on the American Society of Ketamine Physician, Psychotherapy and Practitioners (ASKP3) Expert Faculty.

I have taken and completed the Wharton Online - Management Development Program for Business, and the Wharton Executive Education - Elevating Finance and Operations.

In 2023, I was named the first recipient of the Philadelphia College of Pharmacy's Young Alumni Award. In 2022, The Art of Medicine received the PCP Experiential Site of the Year award for our APPE program.

I have also been featured for my commentary on LDN for Long COVID in Rolling Stone Magazine's website.

Alliance for Pharmacy Compounding Nominee information

I currently live in the Philadelphia suburbs with my wife Caitlyn, son Giovanni, and dog Pebbles. I am an avid sports fan, most notably of the Philadelphia Eagles

District V

1. Dan DeNeui, FarmaKeio Pharmacy Network, Colleyville, TX

Nominee Statement:

Our industry needs additional strong voices that are well versed in pharmacy business enterprise, national distribution channels and regulatory representation. My experience and expertise in all of those areas along with my relationship with thousands of medical providers in the EVEXIAS Health Solutions network make me uniquely qualified to serve our industry and fellow members in the role of as an APC Board Member.

Nominee Bio:

An experienced entrepreneur with expansive knowledge of the medical industry at large. As an original founder and owner of BioTE Medical in 2009-2014 I initiated phenomenal nationwide growth in the area of hormone pellet therapy and bioidentical hormones adding significant demand for pharmacies nationwide.

In 2017 I formed EVEXIAS Health Solutions which now consists of more than 5,000 medical practitioners and also the CEO and Managing Partner of the FarmaKeio Pharmacy Network consisting of multiple 503A facilities as well as a 503B manufacturing facility.

Our industry needs additional strong voices that are well versed in pharmacy business enterprise, national distribution channels and regulatory representation. My experience and expertise in all these areas along with my relationship with thousands of medical providers in the EVEXIAS Health Solutions network make me uniquely qualified to serve our industry and fellow members in the role as an APC Board Member.

Alliance for Pharmacy Compounding Nominee information

2. Jonathan Head, PharmD, Las Colinas Pharmacy, Southlake, TX

Nominee Statement:

As a dedicated compounding pharmacist with extensive experience, I bring a flourishing understanding of both the technical and regulatory aspects of pharmacy compounding. I am committed to my profession and passionate about ethical patient care, quality products, and helping elevate our practice. It would be my honor to serve on the Alliance for Pharmacy Compounding Board of Directors, and leverage my expertise to advocate for best practices, enhance patient care and access, and support innovation. My commitment to excellence and collaborative spirit will contribute to the Alliance's mission to promote high standards and advance the future of pharmacy compounding.

Nominee Bio:

After graduating with a B.S. in BioChemistry, I started down my path to becoming a pharmacist and aspired to own a compounding pharmacy one day. Before attending Texas Tech Pharmacy School, I worked as a pharmacy technician at an independent pharmacy where I was introduced to compounding and ignited my passion for personalized medicine and patient care. During pharmacy school, I served as a Pharmacist Intern at Las Colinas Pharmacy under Jim Hrcir and the LCP Staff. After graduating, Jim took me under his wing as an apprentice with our focus towards ownership; a dream we are on the cusp of achieving.

Since 2018, I have been the Pharmacy Director and Compliance Officer at LCP. I am so proud of our ongoing service to our community and our profession. Every day I am filled with gratitude, purpose, and joy- I love my LCP Pharmily and the impact our organization has on the lives of our 53 employees, as well as the countless individuals and pets in our community and across Texas. It has been my privilege to grow my knowledge and advocate for our patients, staff, and our compounding profession in Texas and Washington D.C.

My leadership skills and experiences have prepared me and given me confidence in my abilities, as I take the next step in my professional endeavors. I am firm in my principles and ethics, always striving for excellence in our compounds and outstanding patient outcomes.

Alliance for Pharmacy Compounding Nominee information

This is my mission, and I believe the reward is worth the effort. I am thankful for the Alliance for Pharmacy Compounding, and if welcomed to the esteemed Board of Directors I will eagerly embark on the journey, collaborating with other like-minded individuals in an organization that drives impactful change for our patients and for our profession.

District VI

1. Daniel Hagerman, PharmD, Wedgewood Pharmacy, Laramie, WY

Nominee Statement:

I have a great passion for compounding and to help shape the compounding environment for years to come. As an APC Board Member, I feel that I would be able to bring a unique perspective as a veterinary compounder serving as the Pharmacist-in-Charge of a leading niche, sterile compounding pharmacy where I navigated state/federal regulations and the ever-changing compounding environment and through my experience as an Executive Committee Member of the Wyoming Pharmacy Association through state lobbying efforts including PBM reform, expanding technician activities and provider status for pharmacists.

Nominee Bio:

I graduated from the University of Wyoming School of Pharmacy, Pharm D, in 2012. Following graduation, I began working as a staff pharmacist, working at both Quality IV Care, a local home infusion pharmacy, and ZooPharm, a leading veterinary-compounding pharmacy that specialized in compounded high-potency, injectable immobilization medications for government wildlife agencies, wildlife sanctuaries, zoos, and research facilities. In 2006, I was promoted to become the Pharmacist-in-Charge of ZooPharm until its closure in 2023. As PIC, I served as the primary head of Regulatory as well as Quality for the pharmacy. This included completing state surveys of rules and regulations, serving as the lead for routine state and federal inspections, Standard Operating Procedures creation and updates, and ensuring the highest quality of medications being dispensed from the pharmacy.

Following the closure of ZooPharm in 2023, I have become the Pharmacy Manager for the Special Markets and Equine portion of Wedgewood Pharmacy. I

Alliance for Pharmacy Compounding Nominee information

enjoy being able to assist the same client base that I was previously with ZooPharm and excited for the additional opportunity to continue that care with our Equine client base. I am still involved with the regulatory aspects of business with Wedgewood Pharmacy.

I have also actively been involved with the Wyoming Pharmacy Association as an Executive Committee member for the past 3 years. During this time, the association has been involved in various lobbying efforts at the State level as well as boosting membership and providing high quality CE to its membership. I currently reside in Laramie, WY with my wife and 3 children (ages 5, 7, and 8). We enjoy sporting events (currently travel softball with our eldest daughter) as well as exploring all the outdoor opportunities that Wyoming has to offer. I would be honored to serve as an APC Board member from District VI.

2. David Miller, RPh, PhD, FAPC, FACA, Keystone Pharmacy, Alto, MI

Nominee Statement:

I am passionate about the promotion, protection and defense of our compounding profession. Having served on the APC board in the past, I was able to make great changes such as overseeing membership growth from 300 members in 2019 to over 4000 today. I also fought tirelessly to advance the profession of pharmacy technicians and ensured that they were allowed to be recognized as full fellows in the Alliance for Pharmacy Compounding.

My work is not done. There is still much to do, and I would appreciate your support.

Nominee Bio:

David Miller earned his baccalaureate in Pharmacy from Ferris State University in 1990 and his doctorate in pharmaceuticals from The University of Michigan in 1996 with emphasis on transdermal drug delivery systems. For seven years, David conducted drug delivery research involving both transdermal and trans-scleral drug delivery for two companies in Utah.

In 2003, David moved back to Michigan and joined his partners at Keystone Pharmacy. Keystone Pharmacy is a traditional and compounding pharmacy serving the State of Michigan.

Alliance for Pharmacy Compounding Nominee information

David has served for 11 years as a member of the Alliance for Pharmacy Compounding (APC) board of directors, most recently as the immediate past chairman of the board in 2023. He is a fellow of the Alliance for Pharmacy Compounding, a fellow of the American College of Apothecaries and an associate professor for pharmaceuticals at Ferris State University.

David lives with his wife, Cathy in Alto, Michigan and is passionate about martial arts, scuba diving, his children and grandchildren.

3. Kristen Youngdahl, PharmD, COO, Belmar Pharma Solutions, Engelwood, CO

Nominee Statement:

As the COO of Belmar Pharma Solutions, overseeing six 503A pharmacies and two 503B outsourcing facilities, I bring a deep understanding of the compounding industry and a passion for advancing patient care. My experience advocating for compounding, including hosting Congresswoman and Senator visits at our facilities, demonstrates my commitment to shaping the future of our industry. I believe my leadership, coupled with my advocacy efforts, aligns well with APC's mission. I am eager to contribute my skills and knowledge to

the board to help drive the organization's continued success.

Nominee Bio:

Kristen Youngdahl is the Chief Operating Officer of Belmar Pharma Solutions, where she oversees six 503A pharmacies and two 503B outsourcing facilities. She holds a Bachelor of Science in Biology from Syracuse University and earned her Doctor of Pharmacy from MCPHS Boston. With a strong foundation in both science and pharmacy, Kristen brings a deep understanding of the compounding industry and a commitment to advancing patient care.

In her role at Belmar Pharma Solutions, Kristen is responsible for managing complex operations, ensuring regulatory compliance, and driving innovation. She has extensive experience leading inspections by the FDA, DEA, NABP, and multiple state agencies, consistently maintaining high standards of safety and quality. Additionally, Kristen has been actively involved in the construction of multiple facilities designed to meet cGMP, USP 797, USP 795, and USP 800 standards,

Alliance for Pharmacy Compounding Nominee information

underscoring her dedication to creating environments that prioritize patient safety and regulatory adherence.

Beyond her operational expertise, Kristen is a passionate advocate for the compounding industry. She has successfully hosted visits from Congresswomen and Senators at Belmar Pharma Solutions' facilities, using these opportunities to demonstrate the critical role of compounding pharmacies in healthcare and to influence policy at the highest levels. Kristen has also been involved in coalitions to remand the MOU back to the FDA, further highlighting her commitment to protecting and advancing the interests of the compounding community. Her ability to build strong relationships with key stakeholders has been instrumental in advancing both the company's and the industry's interests.

With a career dedicated to excellence in pharmacy, Kristen is committed to enhancing patient outcomes through innovative solutions and collaborative efforts. As she looks to contribute to the APC Board of Directors, Kristen brings not only her extensive operational experience but also a vision for a more integrated and supportive environment for compounding pharmacies nationwide.

At-Large

1. Eric Clausen PharmD/MBA, Wedgewood, Novato, CA

Nominee Statement:

I am deeply committed to advancing the field of compounding pharmacy and ensuring its utmost integrity. With a robust background in pharmacy and a proven track record of leadership, I am dedicated to fostering collaboration, promoting best practices, and advocating for regulatory excellence within APC. As a potential board member, I aim to contribute strategic insights and drive initiatives that elevate our profession, ultimately enhancing patient care and safety. I

am excited by the opportunity to further the mission of APC and contribute meaningfully to its continued success.

Nominee Bio:

I am a seasoned veterinary pharmacy professional with a passion for promoting medication compliance and disease state management in the sickest pet populations. I have founded, owned, and operated pharmacies in both the

Alliance for Pharmacy Compounding Nominee information

human and animal space, though my focus and passion has always been in veterinary compounding.

I am currently the Vice President of Pharmacy Compliance for Wedgewood Pharmacy where I oversee the PICs for five different facilities. Prior to joining Wedgewood I was the General Manager for Brava as well as the Corporate Pharmacist-in-Charge for all Blue Rabbit pharmacies. I received my BS in Cell Biology and Neuroscience from Montana State University. Shortly thereafter I enrolled in a joint PharmD/MBA program at University of the Pacific, graduating with my Doctor of Pharmacy in 2007 and MBA in 2008. Upon completion of the PharmD program, I was accepted into the prestigious Rutgers Post-Doctoral Pharmaceutical Industry Fellowship program where I worked with executive leadership in the R&D Strategy and Competitive Intelligence department of Bristol Myers Squibb. After my time in the pharmaceutical industry, I saw an opportunity in the nascent veterinary compounding industry where I founded and was owner/operator of Golden Gate Veterinary Compounding Pharmacy and Pacific Pharmacy Solutions. These pharmacies eventually became the flagship small animal pharmacies for Blue Rabbit under the brand Brava.

I have served on the Board of the American College of Veterinary Pharmacists and on the Board as a Student Representative and Compounding Sub-Committee for the California Pharmacists Associations. I am also an active member of the Alliance for Pharmacy Compounding Federal Legislative Committee and Veterinary Sig while serving as an Adjunct Faculty member at University of the Pacific and Touro University.

I continue to strive to propel the veterinary pharmacy field and pharmacy compounding in general into a brighter, more compassionate future.

2. Robert Nickell RPh, Nubrotori RX, Manhattan Beach, CA

Nominee Statement:

Historical and Current

As a 40-year compounding pharmacist owning National 503a/503b businesses, I bring experience /expertise to the table. Interacting currently with State BOP's and FDA, and historically, being one of the first few hundred members to join PCCA in the 80s. Bringing board room experience,

Alliance for Pharmacy Compounding Nominee information

historically serving California for 20-years at CPHA including President, and currently serving on the APC and NCPDP Foundation Boards.

I passionately apply myself ; "I'm all In" when committed to committee, or board positions. I will give back to the practice of compounding, and help guide the next future decade .

Nominee Bio:

I have been in the practice of pharmacy since 3rd grade, working tirelessly in my Fathers' corner drugstore. I went on to the University of Pacific School of Pharmacy for their year-round program and graduated at 22 years old with my BS in Pharmacy degree.

I was an early adopter of compounding joining PCCA in 1984. I opened my first compounding only pharmacy in 1987 and my first sterile compounding pharmacy in 1995.

During that time period, I also was very involved in the California Pharmacists Association ending my tenure as President in 1996. From 1994 to 2002, I taught beginning, advanced, and FDA regulatory affairs at USC School of Pharmacy. I was also blessed to have the opportunity to be the sports pharmacist for 85% of every pro team in the US including the Olympics in 2002, 2004, 2006 and 2008. Currently, I own a 503a national compounding pharmacy, a 503b national FDA Outsource Facility, and a FDA repackaging, manufacturing facility in Torrance California.

I have served on various committees within APC, including the PAC Board, Awards and the Owners Summit. I am currently a board member on the APC Foundation as well as the NCPDP Foundation and the CPhA PAC.

I believe I have the historical and the current objectives and experiences to help serve the board and guide the direction for the next decade.

"I believe that compounding is a forever intricate interwoven component of the healthcare system that we must all join together and fight for the betterment of our patients and the industry as a whole." I would love to have your vote.

Alliance for Pharmacy Compounding Nominee information

3. Masoud Rashidi, PharmD, Innovative Compounding Pharmacy, Folsom, CA

Nominee Statement:

With over two decades of experience, I am deeply committed to advancing the compounding pharmacy profession. As a distinguished fellow of the Alliance for Pharmacy Compounding and Vice Chair of the State Legislative Committee for two terms, I have consistently championed our field. I also chaired the California Pharmacy Association Compounding SIG and have been an active member of IACP/APC since 2007. My dedication is evident in my regular attendance at California Board meetings, where I've engaged in critical discussions. I believe my experience and passion make me a valuable addition to the APC Board of Directors.

Nominee Bio:

Dr. Masoud Rashidi, PharmD., earned his Doctor of Pharmacy degree from Western University of Health Sciences in 2004. A distinguished fellow of the Alliance for Pharmacy Compounding and an LDN master specialist, Dr. Rashidi co-founded Innovative Compounding Pharmacy in Folsom, California, with his wife, Dr. Anna Rashidi, in 2007. Driven by a mission to enhance community healthcare, their pharmacy has grown significantly, now serving patients across California. Dr. Rashidi, who has served as Vice Chair of the APC State Legislative Committee, Chair of the CPHA Compounding SIG, and on the PCCA Advisory Council for three years, is dedicated to advancing the field through research and education. He also established Folsom's premier compounding-only pharmacy, the only ACHC-accredited facility for both sterile and non-sterile compounding in the Sacramento region.

4. Patricia Stephens, PharmD, Hims & Hers Health, Newberry, SC

Nominee Statement:

My experience in compounding has spanned my entire pharmacy career some 30 plus years. I had the pleasure of owning my pharmacy and helping patients improve their outcomes with innovative compounded therapies. Unfortunately, our profession has come under scrutiny and attack for many years. I personally have experienced the somewhat cruel and unrelenting hand of federal oversight in compounding. My intent is to continue to fight and champion

Alliance for Pharmacy Compounding Nominee information

our right to compound. I can bring a unique perspective to the board through my experiences having working in both 503A and 503B arenas.

Nominee Bio:

Dr. Pat Stephens is the Senior Vice President of Pharmacy Safety, Quality, and Compliance at Hims & Hers Health, Inc. She received her Bachelor of Science in Pharmacy in 1993 and a Doctorate in Pharmacy in 1995 from McWhorter School of Pharmacy, in Birmingham, AL. Dr. Patricia Stephens' professional career spans three decades in the sterile compounding arena. She is a Registered Pharmacist in Alabama, North Carolina, and South Carolina, and received her certification as a Certified Quality Auditor (CQA) through the American Society for Quality (ASQ) in 2022. She had spent 18+ years growing her own business, Medi-Fare Drug Pharmaceutical Compounding, a once-hybrid pharmacy/compounding company that is now solely dedicated to sterile processing as an FDA registered 503B Outsourcing Facility. During her tenure at Medi-Fare Drug Pharmaceutical Compounding, she and her staff became one of the first in the nation to have an FDA inspection without receiving any 483 observational findings. Since selling her 503B in 2019, she has provided consultation and audit services for both 503A and FDA regulated 503B compounding facilities, assessing them for compliance with USP guidelines, current Good Manufacturing Practices (cGMPs) and other relevant guidances for the industry. In 2023 she was drawn back to her love of compounding and accepted the role as the SVP of the Quality Dept for the Hims & Hers corporation.

5. Eve Stevens, CPhT, Wedgewood Pharmacy, Mesa, AZ

Nominee Statement:

As a board member, I will have the opportunity to learn, master and apply strategic and leadership skills. Developing these skills will make me more effective in executive and leadership roles. I will also be able to build my network and gain knowledge from a range of stakeholders. Most importantly, with enhancing my leadership skills and building a solid network and can make an impact on subjects that directly affect compounding pharmacies.

Nominee Bio:

My name is Eve Stevens, and I am the Senior Operations Learning Consultant for Wedgewood Pharmacy, Arizona site. I have been with the company for 13 years

Alliance for Pharmacy Compounding Nominee information

and have had the opportunity to hold many roles. In my current role, I focus on the learning and development of our new employees as well as our current staff, including the leadership team. This is achieved by defining learning goals, objectives, and content. I develop and implement materials used in programs, courses, qualifications, certifications and assessments.

As the Senior Operations Learning Consultant, I have the pleasure of collaborating with many departments including site leaders such as our Pharmacist In Charge and General Manager, our Peoples Success team, Operations team and Quality. These important collaborations help make learning and development successful for all of our employees.

I initiated and currently manage our Grow Our Own Program for our techs that hold Arizona Tech Trainee license, and I provide them with the proper skills, tools and support necessary to pass their ExCPT exam which opens the doors for many opportunities with Wedgewood Pharmacy. This program has been running for 2 years and has a 100% success rate.

Outside of work I enjoy being home and tending to my lawn and pride myself in recently learning how to use my weed eater. I am a member of the Yavapai-Apache Nation and absolutely love it when I get to take part in any cultural ceremonies and event.

Compounding pharmacy has always been a passion of mine, and I am excited to have to opportunity to develop and expand my executive and leadership skills by being part of APC's Board of Director and make a great impact in our compounding community.

6. Austin Tull, PharmD, Cherokee Custom Script Pharmacy, Smyrna, GA

Nominee Statement:

With extensive experience in pharmacy compounding, a commitment to patient safety, and a track record of innovative solutions, I bring a unique blend of expertise and passion to the board. Compounding is in the national spotlight more than ever before and I feel compelled to become more involved. As a proactive advocate for the industry, I am dedicated to advancing our profession through education, collaboration, and

Alliance for Pharmacy Compounding Nominee information

adherence to the highest standards. My strategic vision and hands-on experience make me a valuable asset for driving APC's mission forward.

Nominee Bio:

Austin Tull, PharmD BCPP is owner of Cherokee Custom Script Pharmacy in Canton, GA. He graduated from The University of Georgia with a Bachelor's degree in 2009 and Mercer University with a PharmD in 2013. Austin spent his early career focused on psychiatric and addiction medicine which provides a unique opportunity to work with this population in compounding. Starting as a one-man compounding operation, he grew large enough to merge with an existing compound-only pharmacy and eventually own it. In addition to this pharmacy, he has several retail, hybrid, and long-term care pharmacies in Georgia. For the past two years he has been director of investigative product for a clinical trial research site in Atlanta.
