California Non-Sterile Compounding 16CCR 1735 as related to (USP 795) Pharmacists and Technicians

January 31, 2026

Speakers

Christine Runyan-Acosta, PharmD
*Dept. of Consumer Affairs,
California State Board of Pharmacy,
Supervising Inspector*

Tony J. Park, PharmD, JD
Attorney At Law, California Pharmacy Lawyers

Agenda

9 a.m. - 10 a.m.

10 a.m. - 11 a.m.

Learning Objectives for Pharmacists and Technicians

After this activity, the participant will be able to:

- Discussion of the most up-to-date California regulations that impact nonsterile practice
- Describe California regulations that have been implemented to improve patient and public safety
- Review changes that are needed to comply with laws and regulations; examples would be changes in facilities, new equipment, training policy and procedures, software, etc.
- Identify resources for staying current on regulatory issues.

To register and receive CE credit for this course, you must visit
<http://pharmacyce.westernu.edu>

Successful completion of the live seminar component involves attending the full live seminar, taking the pre-test and passing the post-test with a grade of 70% or higher, and completing the online evaluation.
