Continuing Education

Category III – Compounding Related Continuing Education

A mandatory thirty (30) hours of compounding related CE must be earned in the three years prior to the application date (March 1, 2024 through February 28, 2027). Each CE credit hour is one (1) point. Applicants must provide documentation of at least 30 compounding-related CE hours (UAN designator -07 Compounding). **Include a copy of your NABP CPE Monitor report for each point claimed for category III with compounding related courses highlighted.** The CE program must be listed in the CPE monitor, a certificate of participation is not sufficient. If the CE does not have a -07 but is part of a compounding conference (ex. APC's EduCon) it will be considered compounding related. For all other CEs not listed as -07 provide a short justification on how that CE relates to compounding pharmacy below. You may provide more than 30 CEs for consideration, but they will not accrue additional points.
