CompoundED UpDATE

APC, 100 Daingerfield Road, Suite 100, Alexandria, Virginia 22314

A regional meeting of
pharmacy compounders
in the Tampa/St. Pete area

TWO GREAT CE SESSIONS

The Benefits of LDN

Low-dose naltrexone is a potential option for patients with gastrointestinal, autoimmune, dermatological and pain conditions. Learn the latest on dosing, safety, science and physiology.

Restoring Thyroid Balance

Thyroid disorders and symptoms affect many patients. Learn about thyroid disorders, symptoms, lab tests and treatment options, as well as the latest on compounding with thyroid APIs.

NETWORKING & DINNER

Reconnect with area colleagues and enjoy dinner, courtesy of PCCA.

COMPOUNDING ISSUES BRIEFING

From FDA's threat to restrict hormone compounding to drugmaker lawsuits against compounders, hear the latest on how APC is working for you and your patients.
