

## PCF COMPOUNDING EDUCATION GRANTS TO STATE PHARMACY ASSOCIATIONS

### What:

At least seven grants valued at approximately \$1,500 each to state pharmacy associations to be used in providing pharmacy compounding education at the annual state convention or other *in-person* association education event. Each grant will consist of:

- A \$500 cash payment to the state association
- Direct subsidy by PCF for all speaker travel expenses up to \$1,000. (PCF will reimburse speaker directly; funds will not go to recipient state association)

### Strategic Outcomes:

1. To foster quality state-level policy-focused pharmacy compounding continuing education
2. To strengthen relationships with state pharmacy associations
3. To elevate PCF's stature as a proponent of pharmacy compounding

### Stipulations:

- Education must be offered in an in-person setting.
- Session must be no less than 50 minutes long.
- Session must be approved for CE credit, and the state association will be responsible for that accreditation.
- Preference will be given to state associations that schedule the PCF grant-funded session as a stand-alone session rather than a concurrent session. Under no circumstances shall the PCF-funded session be scheduled concurrently with a session that is a required CE session topic in your state.
- Preference will be given to state associations that schedule the PCF grant-funded session to begin before 1pm in your convention schedule.
- PCF will cover travel/hotel/meal expense for speakers. No honoraria is associated with APC's Scott Brunner, Tenille Davis, or Allie Jo Shipman speaking, their travel/hotel/meal expenses shall be covered by the PCF and speakers will be reimbursed directly from PCF (maximum two nights hotel, airfare or mileage, and reasonable meals).
- To receive the \$500 check, the State Association **must** choose from among topics and APC presenters below.
- Commitment must include the following underwriting credit and the PCF logo in all marketing materials and final program: "This session is underwritten by a grant from the Pharmacy Compounding Foundation."
- State must select from among the following topics:
  - **Threats and Opportunities: A Compounding Public Policy Update**  
Stay ahead of the curve with the latest policy shifts shaping compounding pharmacy. Learn what's at stake, and where opportunities lie, straight from the industry trade association.

*Presenter: Scott Brunner, CAE or Tenille Davis, PharmD, RPh, BCSCP, FAPC*

- **How GLP-1s Are Changing Compounding**  
GLP-1 drugs have transformed both America's health and compounding. Get an insider's perspective on regulatory, clinical, and practice implications as pharmacies adapt to fast-moving trends and changes.  
*Presenter: Scott Brunner, CAE or Tenille Davis, PharmD, RPh, BCSCP, FAPC*
- **Best Practices for Dispensing Compounded Drugs: A Deep Dive**  
From labeling to shipping, this session equips you with actionable strategies for compliant, high-quality dispensing of compounded therapies.  
*Presenter: Tenille Davis, PharmD, RPh, BCSCP, FAPC*
- **Compounding Best Practices: Dispensing, Marketing Claims, Ketamine and More**  
A guided tour through today's hot-button compounding compliance issues, from marketing claims to ketamine compounding, so you can safeguard your practice and patients.  
*Presenter: Scott Brunner, CAE or Tenille Davis, PharmD, RPh, BCSCP, FAPC*
- **Veterinary Compounding: Complying with GFI 256**  
Veterinary compounding faces new challenges under FDA's GFI 256 – whether you do a little or a lot of it. Learn what it means for your practice, your patients, and how to stay compliant in this new landscape.  
*Presenter: Allie Jo Shipman, PharmD or Tenille Davis, PharmD, RPh, BCSCP, FAPC*

**Application Process:**

**PREFERENCE WILL BE GIVEN TO ASSOCIATIONS THAT CAN CONFIRM THE LARGEST NUMBERS OF ATTENDEES AT THE SESSION AND EXPOSURE FOR PCF/APC.**

- State associations should submit a completed form (jot form link) by the deadline.
- Application Includes a statement attesting the following:
  - We acknowledge and affirm that while no honoraria is associated with APC's Scott Brunner, Tenille Davis, or Allie Jo Shipman speaking at our event, their travel/hotel/meal expenses shall be covered by the PCF and directly reimbursed up to \$1,000 (maximum two nights hotel, airfare or mileage, and reasonable meals). Travel reimbursement funds will not go to the state association.
  - We acknowledge and affirm that to be eligible for the \$500 directly to the State Pharmacy Association we must choose an APC provided topic and speaker.
  - Commitment to include the following underwriting credit and the PCF logo in all marketing materials and final program: "This session is underwritten by a grant from the Pharmacy Compounding Foundation."
- **APPLICATION DEADLINE: 5pm PST, November 7, 2025.**
- **Associations will be notified by December 1, 2025.**
